Business Sponsorship

Historically over the last 23 years the event has maintained a commitment to provide free admission to encourage everyone to attend; a commitment our community has always valued. In addition MAC strives to provide an event that is affordable for low income families and new immigrants within Toronto. As a result, the event has always provided free entrance and subsidized carnival passes. As MAC is a non-for-profit organization, business sponsorship is integral to the sustainability and continuity of the Eid Festivals.

The event has been sponsored in the past by several respected organizations including but not limited to the [Ministry of Immigration and Citizenship's Ontario Community Builders program](#), [Ittihad Securities](#), [Salam Financial](#), [Direct Capital Mortgage Corporation](#), and [IRFAN Canada \(International Relief Fund for the Afflicted and Needy\)](#).

How would your organization benefit through sponsorship?

- Publicity of your organization, service, and brand to over 50,000 Muslims across the GTA through the event flyer marketing, radio channels, community centres, mosques, online websites and emails and Muslim establishments as a result of our strong marketing campaign
- A strong presence and direct access to approximately 10,000 people of all ages by:
 - a) Showcasing a booth at the Festival bazaar
